understanding merleau ponty understanding modernism brings into dialogue maurice merleau ponty s phenomenology with modernist art literature music film and neurophysiological discoveries opening up the complexities of the philosopher s phenomenology of perception to a broader audience across the arts an important resource for anyone interested in the links between modernism and philosophy understanding merleau ponty understanding modernism offers close readings of merleau ponty s key texts explores modernist works in light of his thought and provides an extended glossary of merleau ponty s central terms and concepts

philosophers and artists consider the relevance of maurice merleau ponty s philosophy for understanding art and aesthetic experience this collection of essays brings together diverse but interrelated perspectives on art and perception based on the philosophy of maurice merleau ponty although merleau ponty focused almost exclusively on painting in his writings on aesthetics this collection also considers poetry literary works theater and relationships between art and science in addition to philosophers the contributors include a painter a photographer a musicologist and an architect this widened scope offers important philosophical benefits testing and providing evidence for the empirical applicability of merleau ponty s aesthetic writings the central argument is that for merleau ponty the account of perception is also an account of art and vice versa in the philosopher s writings art and perception thus intertwine necessarily rather than contingently such that they can only be distinguished by abstraction as a result his account of perception and his account of art are organic interdependent and dynamic the contributors examine various aspects of this intertwining across different artistic media each ingeniously revealing an original perspective on this intertwining

taylor knight reveals the way in which phenomenology initiates a return to ontology construed through a dialectical relationship between being and element within phenomenology s return to the elemental merleau ponty s late philosophy is a key locus opening critical paths forward into an ontology for the ecological age with reference to his phenomenological forebears heidegger husserl levinas his non phenomenological influences bachelard schelling freud and his dialogue with greek thought heraclitus plato aristotle knight shows what is authentically new in merleau ponty s late ontology

in his final and posthumously published work *the visible and the invisible* maurice merleau ponty employed the term *dehiscence* as a wonderful metaphor to describe our emergence within the world this botanical term aptly calls to mind both the efflorescence of individuality within a shared context and the development of the practical implications of merleau ponty s thought the latter subject is the principal focus of the works collected in this book part one a translation of three recently discovered letters between jean paul sartre and merleau ponty provides a detailed record of the disagreement over political issues that ultimately drove the two philosophers apart part two contains five essays devoted to the political implications of merleau ponty s later thought some scholars criticize the attempt to find practical political applications for this thought others suggest how such a project might be accomplished part three contains another five essays devoted to the ethical implications of these later texts as in the previous section some are critical assessments others adumbrate the ways in which these insights might be successfully appropriated for such a praxis this superb anthology addresses the critical need for material directly addressing the politics and ethics implied by merleau ponty s later works

this study brings to light the original concept of the imaginary that emerges from merleau ponty s thought it elucidates the main influences that contributed to shaping merleau ponty s theory of the imaginary and aims to show that this novel concept constitutes one of the most crucial yet challenging keys to his philosophy and ultimately his ontology this book develops the ontology of the imagery sketched by merleau ponty and examines its practical implications as its originally ambiguous and inseparable underside the imaginary is just as central to merleau ponty s philosophy as perception the author argues to enlarge the notion of reality by recognizing the imaginary dimension and texture of the real and that merleau ponty s ontology of the flesh cannot be separated from an ontology of the imaginary this monograph examines merleau ponty s conception of the imaginary against both his aesthetics and his political philosophy and appeals to students and researchers working in phenomenology and continental philosophy

the existential dialectic of marx and merleau ponty is one of the few books to offer an in depth epistemological study linking the works of karl marx with a major existentialist thinker the author first documents the existential and dialectical themes that can be found in marx s writings and then proceeds to show that marx s method is strikingly similar to that employed by merleau ponty it is merleau ponty however who has developed this method in detail dr low thus turns to a thorough analysis and exposition of merleau ponty s first major work the structure of behavior to reveal merleau ponty s innovative and well balanced alternative to traditional empiricism and rationalism merleau ponty s method as it is revealed here will be of interest to philosophers psychologists and social scientists concerned with freeing themselves from the limitations imposed by traditional methodologies

merleau ponty in contemporary perspective this was the theme of the conference at the institute of philosophy katholieke universiteit leuven k u l from 29 november to 1 december 1991 thirty years after merleau ponty s untimely death it seemed appropriate to bring together scholars from europe and from the united states of america to reappraise his philosophy in fact a significant body of scholarship has emerged which would seem to attest to the continuing importance of his thought for a variety of disciplines within the humanities the social sciences and the philosophy of nature in the present volume gary brent madison addresses the issue whether merleau ponty can be considered to be a classical philosopher the fact that his work is one of the highlights of the phenomenological tradition and is of continuing inspiration for researchers in various domains seems to justify that claim yet it is the feeling of many of the contributors to this volume that the so called second merleau ponty is still not really known the unfinished state of the visible and the invisible and the cryptic condition of many of the working notes may be responsible for that more research should be done to uncover the unsaid of merleau ponty lowe to a remark of paul ricoeur in his introduction to the work of g b madison la

phenomenologie de merleau ponty une recherche des limites de la conscience paris klincksieck 1973 p

a clear and comprehensive introduction to the thought of french philosopher maurice merleau ponty

invites readers into discussions of time self and meaning under the auspices of three thinkers henri bergson maurice merleau ponty and paul ricoeur the work of each thinker is highlighted to show how each disrupts clock time drawing out and reclaiming aspects of our humanity neglected in mere chronology provided by publisher

your students and users will find biographical information on approximately 300 modern writers in this volume of contemporary authors r authors in this volume include allan and janet ahlberg gerald r ford g gordon liddy marco antonio montes de oca
